

Will there really be a THIRD Temple?

MAY 2025

Philip Shields

www.LightontheRock.org

All scriptures are NKJV unless noted otherwise.

KEY WORDS: Third temple, Millennial temple, High Priest, red heifers, Dome of the Rock, 3rd Temple.

** *** *****

Summary: *IS SCRIPTURE clear whether or not there will actually be a real building, a 3rd temple, in Jerusalem? Does prophecy require a 3rd temple building? Or will it just be sacrifices being offered, but no building? Or are we, the church, now the temple Christ returns to and so there's no need for a physical building? Would a third temple be the same as the Ezekiel 40-48 temple? What is said in the New Testament about a temple in the last days? Find out why this is so important.*

Hello everyone. SO much has been happening in the news worldwide that my head is spinning. BIG breaking news every single day it seems. End time prophecy is certainly being set up now.

Catholics have a **new pope** – **Pope Leo XIV**. He's the first American pope who speaks several languages fluently and even sings. And **Jews finally have their own High Priest** in almost 2,000 years. Having their own High Priest, to Jews, is like Catholics having their new Pope. But their first new High Priest in 1,955 years is not being reported at all.

Israel is being attacked on seven fronts. Russia and Ukraine can't seem to end their brutal war. European armies are growing. India and Pakistan are at war. China is threatening Taiwan and much of SE Asia really. Middle East is warming to America.

And now this one: preparations have been going on for a long time but coming to a head now – for the **THIRD JEWISH TEMPLE**. **WILL actual construction of the third temple in Jerusalem start anytime soon?** Prime Minister Netanyahu has spoken of this third temple, as has President Trump and his administration.

The first temples were representative of *the PRESENCE OF GOD* on earth to his chosen people. So let's talk about it. DOES the Bible actually say there will be an actual temple *building* – beyond just sacrifices at an altar?

I'm Philip Shields, host and founder of Light on the Rock.org (LOTR). Thank you for visiting our site. There's SO MUCH happening in Israel, Europe, America and East Asia with China – that it's hard to keep up. In the coming weeks be watching for new blogs and sermons – audio and video sermons – that address a lot of what's happening prophetically AND what we need to focus on as children of God.

BACK to the 3rd temple -- that SCRIPTURE clearly says IS going to come, as I'll show you. Of course we don't know exactly *when* yet, but it's likely to happen relatively soon.

The animal sacrifices at the temple reminded people of God's mercy – of letting their guilt worthy of their own death be replaced by the death of an *innocent* animal, ultimately pointing to the innocent Son of God dying for us. God said the LIFE of the animal was in the blood (Lev. 17:10) so *innocent* blood of the very Son of God had to be shed for us.

Jews felt the temple showed God was among them. So it was devastating for Jews to have God allow both of the **first two temples completely destroyed, on the same day of the year (9th of Av, Sunday Aug 3 in 2025)**, and not rebuilt since 70 AD. *So many religious Jews are VERY excited* that it's looking more and more possible, even *likely*, for there to be a new temple – the THIRD temple – soon.

SO I'm talking today about the coming third TEMPLE building.

Don't confuse "the temple" with the "temple courts" or complex.

The Bible often just says "the temple" when it meant the entire massive complex, or court yards, outside the building, as only priests could actually enter the physical temple building.

So the "temple" actually is **the building itself with the Holy Place and Holy of Holies**. "Regular Israelites" could not go into the building – just the priests and High Priests. Only the High Priest could enter the Most Holy Place, the Holy of Holies, and only on the day of Atonement (Yom Kippur).

So by “Temple Complex” I mean the huge 35 acre sprawling grounds and court yards that were all around the temple building.

MANY went up to the temple complex to pray, but ONLY The PRIESTS, only direct descendants of Aaron the brother of Moses, could ever enter the temple itself, and then only the first part – the Holy Place. Only the High Priest, once a year on Atonement day, could enter the Holy of Holies.

“Not one stone left upon another...”

This next point is crucial to grasp: When Jesus said “not one stone will remain on another” – he was clearly referring to the temple BUILDINGS – not the entire 35 acre complex and all that *complex’s* foundation stones. “The buildings” would include mostly the temple building plus Solomon’s Porch. ALL BUILDINGS of the temple complex were indeed totally demolished without one stone upon another exactly as Jesus said.

Some people feel the temples never were actually on the temple complex as we know it today, because they believe since all the foundation stones and “plaza” are all still there, there could be no temple there. I believe they’re wrong. In 70 AD, not a single building was left standing up there. So what was Jesus referring to, exactly, when He said not one stone will be left on top another?

Mark 13:1-2

Then as He went out of the temple, one of His disciples said to Him, "Teacher, see what manner **of stones and what BUILDINGS** are here!"
2 And Jesus answered and said to him, "Do you see **these great buildings?** Not one stone shall be left upon another, that shall not be thrown down."

Jesus answered similarly in Luke when asked about the Temple’s beauty:

Luke 21:5-6

Then, as some *spoke of the TEMPLE, how it was adorned with beautiful stones* and donations, He said, 6 "These things which you see – the days will come in which not one stone shall be left upon another that shall not be thrown down."

I strongly think those who feel Jesus’ words applied to every rock that was part of the mall courtyard’s setting, where many thousands could stand, are going too far. Yeshua spoke of the Temple building, which indeed was taken apart stone by stone – in 70AD.

WHY DOES Israel NOT CONTROL The TEMPLE MOUNT

Many don't understand why the Arabs control the Temple Mount. ALL of Jerusalem, including the temple mount area, was conquered by Israel during the **June 1967 Six-day War**. **General Moshe Dayan**, the man with a patch over one eye, organized that whole war.

Many Arabs living in East Jerusalem and the rest of Israel in 1967, then feared for their lives. *They knew what THEY would do to Jews if Arabs conquered swaths of land where Jews lived. So they started to flee to Jordan and other countries.* But Moshe Dayan told them, "Don't leave. Stay here. We're not going to kill you. In fact, to show you our good will, we'll even let you continue to control the land where the Dome of the Rock and Al Aqsa Mosque are. YOU will control it."

*So General Dayan gave control of the that **35-acre sprawling flat top** of ancient Mount Moriah back to the Arabs to control.* But it officially, really, belongs to Israel who conquered it in the 1967 war.

Orthodox Jews around the world couldn't believe their ears. They thought JEWS now controlled their most holy place, the Temple Mount – but Dayan just gave it away!

Arabs now call it HARAM AL-SHARIF (Noble Sanctuary). They control it with armed guards with semi-automatic guns at all entrances. Two of Islam's holiest shrines are there: **Al-Aqsa Mosque** and the **Dome of the Rock**, where they believe Mohammed ascended to heaven on his heavenly steed named Al-Buraq. I've been on the temple mount several times, but the last time it was much more controlled – *to certain days, certain hours, and you could never be seen praying or you would have been expelled by the Arabs.* Jews have very, very rarely gone up there – and when they did it sparked violence, UN Security Council attacks, and more.

So now many wonder if the Jews can EVER build a temple there without a war, without perhaps demolishing Dome of the Rock, which is considered by most as the correct site of the first and second temples. I personally believe it might be a spot slightly to the north of the Dome of the Rock.

*Others follow **Dr. Ernest Martin and Robert Cornuke** who believe the temples never were on the temple mount. I have, and have read their books.* But some of the premises of their teachings have in the past 2 years been discredited. **But it doesn't matter. God will do what HE wants, WHERE and when he wants.** No need for any of you to spend

your time studying where you're sure it *should* be. *YOU and I won't have any influence on where it goes anyway.*

And don't forget: God also can soften and harden hearts. God can make anything happen including softening Muslim hearts if need be, about having a temple near or on the "Temple Mount." So don't worry about how or even WHERE – if God wants a 3rd temple, there will be a third temple, when and where GOD wants it.

WHO WILL BUILD this TEMPLE?

Be aware also that **many** – not all – **Orthodox Jews believe their coming Messiah will be the one who will rebuild the Third Temple.** *The Messiah they expect will be **human**, not divine (they say), and a direct **descendant** of King David, **Torah** expert and will bring back all scattered Jews and usher in **world peace** – then rebuild their Temple.*

Some Jews also believe in 2 potential Messiahs coming – Son of Joseph and Son of David. So we'll see.

But OTHER Jews say they believe their Messiah comes AFTER the third temple is rebuilt and won't come UNLESS and until it's rebuilt.

But listen carefully: many believers are SUPER excited about a real Temple of God coming, but remember this: *this 3rd temple will end up being the epicenter of the Anti-Christ (anti Messiah) and his gruesome activities!* From this temple, in his final 3-1/2 years, many, many Jews who celebrated its construction at first, and many Christian prophecy watchers also, will be killed.

This makes it hard for me to get TOO excited about this building. Yes, *there WILL be a real 3rd temple, but though it will start wonderfully, its last 3.5 years will be GRUESOME. How can we get too excited about that building when we know how it ends?*

SUDDENLY: I also want to remind you of something I've said before: **be aware of the word "suddenly."** *SO much of end time prophecy will come to pass suddenly.* Such as **Malachi 3:1** – "the Lord whom you seek will come suddenly to his temple." **Mark 13:36; Acts 2:2; 9:3.** As in the days of Noah and Lot – when destruction from God came suddenly (**Luke 17:26-30**).

I believe SO MUCH is going on behind the scenes, then SUDDENLY big events will start happening. Don't be asleep. Be watching everything going on – especially your relationship with God.

The temples that were in Jerusalem were central to the worship of the living God and his presence initially. This soon-coming Third Temple, the BUILDING, will be CENTRAL to many final prophecies being able to be fulfilled. Jews will believe it will prove God's happiness with them, but subsequent events will prove otherwise.

SCRIPTURE EVIDENCE PROVING an actual 3rd TEMPLE

Therefore, many end time prophecies are **CLEARLY tied to and dependent on** having a working Temple building in place for the prophecies to happen. *Not just an altar for animal sacrifices but a real building.*

For example, 2 Thessalonians 2. The great “man of sin” – the Anti-Christ-- who will come at the very end, will set himself up **IN *The temple of GOD***, and proclaim HE HIMSELF is god. Scripture clearly says in the temple, not just in a tent or something. There have been many anti-Christ's (1 John...) but I refer to the ONE main one at the end. Let's look at scriptures showing we need to have an actual temple building in the end time.

I don't believe this current, latest false prophet **Abdullah Hashem aba Al-Sadiq**. He claims he is the rightful successor to the Pope, to Mohammed, even to Christ!

2 Thessalonians 2:1-4

“Now, brethren, concerning the coming of our Lord Jesus Christ and our gathering together to Him, we ask you, 2 not to be soon shaken in mind or troubled, either by spirit or by word or by letter, as if from us, as though the day of Christ had come.

3 Let no one deceive you by any means; **for that Day will not come unless the falling away [or apostasy] comes first, and the man of sin is revealed**, the son of perdition,

4 who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the TEMPLE OF GOD, showing himself that he is God”.

For the man of sin to sit in the temple of God, there has to be a temple for him to sit in as if very God. There's no temple of God anywhere in Israel or Jerusalem right now. So one has to be built.

Some argue that any temple housing the Man of Sin could not also be called "the temple of GOD." But remember even Herod's temple – as wicked as HE was, was called by Jesus "My Father's house"

John 2:16-17

And He said to those who sold doves, "Take these things away! **Do not make My FATHER'S HOUSE** a house of merchandise!" 17 Then His disciples remembered that it was written, "Zeal for Your house has eaten Me up."

Remember that the first temple built by Solomon was also called the "House of God" or temple of God, even during the years of wicked kings.

The USUAL term used for the first temple – scores of times – **was "the House of God," like 2 Chron 7:5. Otherwise the temple was simply called "the temple" (1 Kings 6:14 for example)**

So the soon coming third temple that is about to be built, will be "the Temple of God," and 2 Thess 2:4 calls it that. For the first three and a half years, there will be animal sacrifices and the temple priesthood – all going on smoothly. Then, suddenly, the Man of Sin STOPS animal sacrifices and proclaims himself to be God.

"One week" in Daniel 9:27 is 7 days, using "a day for a year" concept = 7 years (Num 14:34). I'm not now going to explain all the dates in Daniel 9. I just want to point out that all the wording points to an existing temple at the very end time, and animal sacrifices that will be started- and then stopped by this evil man, the Anti-Christ. He is the first "beast" of Revelation 13.

Let me advise again as I've said before: **"ride loose in the saddle" with prophecy. Be flexible.** Watch carefully what's going on. Be willing to pivot.

Daniel 9:27

**"Then he shall confirm a covenant with many for one week;
But in the middle of the week**

He shall bring AN END TO SACRIFICE AND OFFERING.

And on the **wing of abominations** shall be one who makes **desolate**,
Even until the consummation, which is determined,
Is poured out on the desolate."

I'm not using this time to explain Daniel 9 and 12, but just to point out that Jesus himself referred to Daniel who clearly speaks of the daily sacrifice being taken away.

Daniel 12:11

"And from the time **that the daily sacrifice is taken away**, and the **abomination of desolation** is set up, there shall be one thousand two hundred and ninety days."

Yeshua/Jesus quoted Daniel and clearly states there will be a HOLY PLACE, the temple, in existence before His return and daily sacrifices going on. And he repeats the words "abomination of desolation" of Dan 12:11.

Matthew 24:15-16

"Therefore when you see the 'abomination of desolation,' **spoken of by Daniel the prophet, standing in the holy place**" (whoever reads, let him understand),
16 "then let those who are in Judea flee to the mountains."

So even Yeshua says this evil man will be standing "in the HOLY PLACE." That comment, along with comments about sacrifices, points to the temple.

REVELATION 11 Temple and the 2 Witnesses

Another prophetic passage that clearly speaks of an end-time temple in Jerusalem is Rev. 11 during the time of the Two Witnesses.

But before we read Revelation 11, let's review what we have so far:

- **2 Thess 2:1-6** about the evil Man of Sin, at the very last days, **sitting in the Temple of God as God himself.**
- **Daniel 9:27 -and Jesus' words backed it up** – that this man of sin stops **ongoing daily sacrifices** and causes an "abomination of Desolation" to be set up.

Revelation 11:1-3

"Then I was given a reed like a measuring rod. And the angel stood, saying, "Rise and **measure The TEMPLE OF GOD**, the altar, and those who worship there.

2 But leave out the court, which is outside the temple, and do not measure it, for it has been given to the Gentiles.

And they will tread the holy city underfoot for forty-two months.

3 And I will give power to my TWO WITNESSES, and they will prophesy one thousand two hundred and sixty days, clothed in sackcloth."

To **measure** the Temple of God – that's what it's called – there has to be a temple! And note that a PART of the area around it is given to the gentiles. I think that's very significant and might be pointing to the possibility that the third temple and Dome of the Rock might co-exist.

So clearly, there will be a third temple building.

The SPIRITUAL TEMPLE exists same time as the Physical building

The PHYSICAL temple building had the presence of God.

But there is also a SPIRITUAL TEMPLE where God dwells. It's more glorious than anything before. ***When God gives his Holy Spirit to someone, that person becomes the TEMPLE of God's very own presence, his Holy Spirit.*** If God has given you and me His Holy Spirit, we have the indwelling of God himself inside of us and Apostle Paul says WE become the temple of God.

1 Corinthians 3:16-17

"Do you not know that YOU are the TEMPLE OF GOD AND that the spirit of God dwells in you?

17 If anyone defiles the temple of God, God will destroy him. For the temple of God is holy, which temple YOU are."

Also **2 Cor. 6:16** repeats this.

So when Jesus the Christ returns to earth, there will be a physical temple in Jerusalem but **He's coming initially to another TEMPLE:** the more glorious SPIRITUAL temple, the Church of God, also called the HOUSE of the living God, just like the physical temple was called the House of God.

1 Peter 2:4-5

"Coming to Him [Christ] as to a living stone, rejected indeed by men, but chosen by God and precious,

5 YOU also, as living stones, are being built up a spiritual house, a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ"

So don't be confused. There will be a third physical temple – a building in Jerusalem that will be coming soon. But in the meantime, YOU and I already are the TRUE temple of God if we have His Holy Spirit.

I believe the main temple that Jesus Christ will be returning to – will be HIS Holy Spirit-filled PEOPLE, **His temple**. WE should be the more glorious temple at the end time that Zerubbabel was told about.

God cannot be confined to a physical temple in the New Covenant. Jesus in fact said God wants to be worshipped in spirit and truth, not in buildings or mountains. (**John 4:21-24**)

RED HEIFERS' ROLE

You probably have heard about Red HEIFERS – young cows.

Before a temple can be functional, before animal sacrifices can happen, there has to be at least one perfect RED HEIFER, a young cow that has never had a calf. The heifer is sacrificed and burned – and its ASHES used for purification of all aspects of the temple (Numbers 19:1-10**) before sacrifices can begin.** *What I'm saying now in May 8, 2025 will or may be outdated in coming months or years.*

The Purifying ashes of the red heifers. There were 5 red heifers sent in 2022 to Israel, but now the latest news is that the rabbi in charge of that – **Rabbi Ariel** – says **NONE of them are “kosher” or** qualified because they're finding white hairs or other problems. Ideally the red heifer should be only 2 yrs and 1 day old. These current ones are quite a bit older than that.

Without ashes of a red heifer no sacrifices can start.

Numbers 19:9

“Then a man who is clean shall gather up the ashes of the heifer, and store them outside the camp in a clean place; and they shall be kept for the congregation of the children of Israel for the water of purification; it is for purifying from sin.”

Of course we believers know that *OUR purification comes not from ashes of red heifers*, but from the blood of Jesus Christ, the son of God. We believers in the Son of God do not need red heifers. OK?

Hebrews 9:13-14

“For if the blood of bulls and goats and the ASHES of a heifer, sprinkling the unclean, sanctifies for the purifying of the flesh,

¹⁴ how much **MORE shall the blood of Christ**, who through the eternal Spirit offered Himself without spot to God, **cleanse** your conscience from dead works to serve the living God?"

So we believers in Yeshua do not need any red heifers' ashes!

HOW READY are they to start and equip a Third Temple?

For many years now, a dedicated team of people **called The TEMPLE INSTITUTE, started in 1987** in Jerusalem, have dedicated their lives to *having everything ready so they can start day 1, once the temple is built.* Check it out – it's full of information: www.TempleInstitute.org

Many of the items needed are ready. Many priests have been DNA certified as being true descendants of Aaron, and their extensive training has been going on, much of it behind the scenes.

I hope you realize there has **been a Sanhedrin since 2004**. But this Sanhedrin has no real legislative power like in the times of the apostles, to impose rules on the whole nation. Their Knesset does that. But their Sanhedrin makes religious rules and decisions.

In 2014, the Sanhedrin selected an INTERIM High Priest. But very recently in 2025, they made him the **official High Priest. Israel now has the OFFICIAL High Priest, first one probably in 1,955 years since 70 AD. READY and trained for this role, RABBI BARUCH KAHANE** was made interim High Priest in 2014, but is now the *official* High Priest. This is huge news. You need the official High Priest in order to run a temple!

So how far along have they come in preparing for the 3rd temple:

First of all, **many in Israel are now all talking** about it though the government has not officially endorsed it yet – though Prime Minister Netanyahu has hinted about it. Even President Trump and his team are openly supporting it. Even Arabs know it is coming – somehow, some way.

ALMOST everything is ready now except – except the Temple building itself but the temple BUILDING PLANS ARE all set. Even down to 3d Graphics.

Many have told *me all they need* in order to offer sacrifices, is a purified altar. Though that IS true, scripture is clear a real temple BUILDING is coming, as I've been showing you.

I'm hoping, as I speak, that we can show you photos of the items I'll be talking about.

- **All the regular priests needed are identified by their DNA. They're trained; their tunics are ready.** The Levitical choir is practicing. High Priest Baruch Kahane has been thoroughly trained IN ALL aspects of Torah how to do his role.
- **High Priest's garments are ready. The Breastplate with the 12 *precious* stones** representing the 12 tribes – ready. Urim and Thummin are ready. The High Priest's crown with “Holiness to YHVH” is ready.
- **Virtually all the ARTICLES and tools are made and ready.** I've personally seen many of these. The solid gold menorah, The silver trumpets, the shofars, the lyres and harps, the Table of Showbread, the altar of incense. They're all ready.

BUT there are still things to do, to get ready:

- **Ashes of a perfect red heifer**, as I've already discussed. These are required to purify the altar, the priests, etc. (Numbers 19)
- **large altar of sacrifice outside the Temple. They DO have one apparently but not up at Mount of Olives as was falsely reported.** Animal sacrifices can restart as long as the altar has been purified first with the red heifer's ashes.
- **The TEMPLE ITSELF, of course, has to be built. Apparently the architectural blueprints are complete.** Even 3D and virtual tours are available. Some are saying the temple can be built in just a few months. *NOTE: the present plans do not reflect the Ezekiel 40-48 temple, however.*
- **There is a *replica* of the Ark of the Covenant** -- but not the real ark, and certainly it has no 2 tablets of stone (10 Commandments) or pot of manna of course either.
- **They need a FINAL DECISION on WHERE the temple will be built.** I know many of you have strong ideas, but the Sanhedrin has not decided yet. Most still think it should be where the Dome of the Rock currently is. God knows.

- And again, **the ashes of the red calves, or heifers. I want to say how we believers do not need their ashes.**

Thank God we believers in Yeshua (Jesus the Christ) know we already have been purified, don't need the ashes of heifers or the blood of bulls and lambs or goats – as the shed blood of Yeshua has cleansed us already in HIS blood. **Jesus is High Priest (Heb 4:14)** AND he is also the one-time sacrifice.

Hebrews 7:23-28 please read this on your own...

“Also there were many priests because they were prevented by death from continuing. 24 *But He [Yeshua], because He continues forever, has an unchangeable priesthood.* 25 Therefore He is also able to save to the uttermost those who come to God through Him, since **He always lives to make intercession** for them.

26 For such a High Priest was fitting for us, who is holy, harmless, undefiled, separate from sinners, and has become higher than the heavens; 27 who does not need daily, as those high priests, to offer up sacrifices, first for His own sins and then for the people's, **for this He did once for all when He offered up Himself.**

28 For the law appoints as high priests men who have weakness, but the word of the oath, which came after the law, **appoints the Son who has been perfected forever.**”

Hebrews 8:1-2

“Now this is the main point of the things we are saying: **We HAVE such a High Priest**, who is seated at the right hand of the throne of the Majesty in the heavens, 2 a Minister of the sanctuary and of the true tabernacle which the Lord erected, and not man.”

So we believers already have a perfect, holy, undying High Priest in Yeshua. We also have the purifying blood of Jesus. WE believers don't need a human high priest, or red heifers. *And WE don't need a physical building. We have the SPIRITUAL REALITY of all these.* Even the building. In the new covenant, true spirit-filled believers are the temple of God. (**1 Cor. 6:19; 2 Cor. 6:16**).

I also recommend you read Hebrews 9, but I'll try to read verses 26-28.

Hebrews 9:22-28

And according to the law almost all things are purified with blood, *and without shedding of blood there is no remission.*

23 Therefore it was necessary that the copies of the things in the heavens should be purified with these, but the heavenly things themselves with better sacrifices than these.

24 For Christ has not entered the holy places made with hands, which are copies of the true, but into heaven itself, now to appear in the presence of God for us; 25 not that He should offer Himself often, as the high priest enters the Most Holy Place every year with blood of another —

26 He then would have had to suffer often since the foundation of the world; **but now, once at the end of the ages, He has appeared to put away sin by the sacrifice of Himself.** 27 And as it is appointed for men to die once, but after this the judgment, 28 **so Christ was offered ONCE to BEAR the sins of many.** To those who eagerly wait for Him He will appear a second time, apart from sin, for salvation.”

So Jews in Israel can wait for red heifers to be sacrificed and their ashes used to purify – but we believers don’t have to wait. God has already done that for those of us who are purified in the perfect blood of the Lamb of God, his SON (**Hebrews 9:13-15**).

I do not believe the 3rd temple will be the same as the Ezekiel 40-48 temple. That one is described quite differently from the third or even from the first or 2nd temples.

Let’s end it right there. Perhaps in a future sermon I will cover more about the Ezekiel 40-48 future temple. I call it the FOURTH Temple. It is totally different, and I don’t believe this 3rd temple will be the temple of Ezek 40-48. It will not be.

Before Jesus returns on the Mount of Olives,

- **there is a massive worldwide earthquake** and hail like this planet has never seen (Rev. 16:18). Mountains are leveled and valleys are raised up. This is massive. No buildings on the existing temple mount will even still be up after an earthquake that massive that it even splits the Mount of Olives, which is only a city block away from the Temple Mount.
- **Why would he want to use a temple that was so gruesomely violated with the Anti-Christ calling himself God and much more.**
- **Christ WILL have a temple to return to – a better one: his spirit-filled believers** who are called the Temple of God.

But Hallelujah – everything is happening so fast, even daily – so I hope all of us repent of being asleep and lukewarm. Let's be zealous and awake and excited with great joy that we will soon be with God's Son.

Actually, we live in the most exciting times possible in all of human history. If you don't see that or feel that – you need to wake up. It's for real .

Let's pray! (Closing prayer on the video).
